

Getting Started with the Queen's Wiki

Welcome to the Queen's Wiki!

The Queen's Wiki is an online collaboration tool that allows users to create, share and publish content to the web. Wiki spaces can be setup for courses, departments and cross-departmental projects. The administrator(s) of each space can add users and manage access to the space.

The following information is provided to help you get started with the Queen's Wiki.

- [Queen's Wiki Service Definition](#)
